Dear Dr. George,

I have seen the survey report sent by Sreepathy Institute of Management and Technology. The students have done an excellent job. Their findings are quite revealing and exhaustive and conclusions drawn are very helpful.

I am happy the Institute took up this assignment enthusiastically and wholeheartedly. Kindly convey our appreciation to the students involved.

Perhaps, based on their observations and studies, they could make out a project report for an underground sewage system for Pattambi Municipality with decentralised bio-digester treatment plants.

Similarly, they can also develop a surface drainage scheme in which the solids, oil and grease are trapped by settlement tanks before the water is allowed to enter the river. This may be taken up as an internal academic exercise by them.

With regards,

Yours sincerely,

(Dr. E. Sreedharan)

Letter of Appreciation

This letter is to appreciate the great service provided by the NSS volunteers of Sreepathy Institute of Management & Technology, during the special camp named “Punarjjani” from 24th to 30th December 2016. The volunteers repaired and painted the damaged wheelchairs, structures, cots, medical equipments etc., thereby recreating assets worth above Rs. 10 Lakhs. The dedication and involvement of volunteers during the camp were remarkable. The hospital management is extremely thankful to the management and NSS Unit of Sreepathy College and expects more contributions and activities in future.
