ANNUAL REPORT – 2016-17

College Annual Report 2016-17

This academic year, like every year in the history of our college, is brimmed with curricular and co-curricular activities that set a milestone in our journey ahead. It is a privilege to present this report which documents the activities of Sreepathy Institute Of Management And Technology, Vavanoor for the year 2016-2017. This Annual report presents a holistic view of the academic, student centric support system and administrative mechanisms of SIMAT during the period. The year 2016-17 witnessed remarkable progress in the academic, co curricular and extracurricular activities in the college along with the development of infrastructural facilities. The major achievement was the excellent results produced by our students (2013-17 batch) in the University Examination as indicated below.

2013-17 Batch S8 Result

Sl No.	Branch	No. of Students Attended	No. of Students Passed	Pass %
1	CE	65	54	83.07
2	CSE	62	55	88.71
3	ECE	62	52	83.87
4	EEE	49	46	93.88
5	ME	67	59	88.06

In line with this, most of the other batch students also produced good results at an average of about 60%. It is known that Sreepathy stands among the first 7-8 colleges in terms of results in the University out of around 40 Engineering Colleges which is highly encouraging for a start up college like ours. The faculty and staff team feel proud to provide quality education by equipping our students with skills, confidence and a positive approach with an all round development which is made possible with the financial assistance provided by our management.

In the co curricular and extracurricular areas more facilities/ opportunities were created during the year. Students were encouraged to participate in the various arts / sports / cultural / technical events both in the college and outside. Many of our students participated and won prizes in these events.
