ANNUAL REPORT – 2017-18

College Annual Report 2017-18

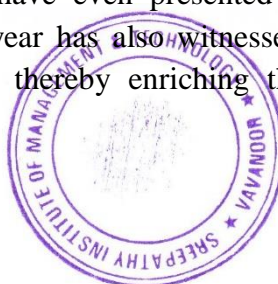

This academic year, like every year in the history of our college, is brimmed with curricular and co-curricular activities that set a milestone in our journey ahead. It is a privilege to present this report which documents the activities of Sreepathy Institute Of Management And Technology, Vavanoor for the year 2017-2018. This Annual report presents a holistic view of the academic, student centric support system and administrative mechanisms of SIMAT during the period. The year 2017-18 witnessed remarkable progress in the academic, co curricular and extracurricular activities in the college along with the development of infrastructural facilities. The major achievement was the excellent results produced by our students (2014-18 batch) in the University Examination as indicated below.

2014-18 Batch S8 Result

Sl No.	Branch	No. of Students Attended	No. of Students Passed	Pass %
1	CE	66	56	84.84
2	CSE	67	60	89.55
3	ECE	52	45	86.53
4	EEE	52	44	84.61
5	ME	112	95	84.82

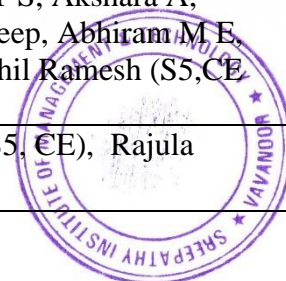

In line with this, most of the other batch students also produced good results at an average of about 85%. It is known that Sreepathy stands among the first 7-8 colleges in terms of results in the University out of around 40 Engineering Colleges which is highly encouraging for a start up college like ours. The faculty and staff team feel proud to provide quality education by equipping our students with skills, confidence and a positive approach with an all round development which is made possible with the financial assistance provided by our management.

In the co curricular and extracurricular areas more facilities/ opportunities were created during the year. Students were encouraged to participate in the various arts / sports / cultural / technical events both in the college and outside. Many of our students participated and won prizes in these events. Our students have even presented their project topic and technical papers in state level events. The year has also witnessed the glory of securing ranks in university levels by our students thereby enriching the history of academic achievements of SIMAT.

MoU with Intercad System Pvt LD

Intercad System Pvt LD has entered into an MoU with SIMAT on 18th June 2018. Intercad System Pvt LD is an authorised training centre for Autodesk, Bentley STAAD Pro, Trimble SketchUp, ISRO FEAST and PTC Creo providing training on CAD CAM and CAE.

I feel extremely happy and privileged over development of the college during the year 2017-18 and with the kind dedication and guidance by the Sreepathy Trust, our staff members and students, I am confident that Sreepathy will be known among top Engineering College in Kerala in the near future. Students are oriented here towards conspicuous value additions, namely, the quest for knowledge, the desire for innovation, the approach for total personality development and the pride in being a member of SIMAT family. The institute has rightly envisioned becoming a role model in technical education and the most preferred choice of students, parents, faculty and industry.

Thank You and Best Wishes
