## ANNUAL REPORT – 2018-19

## College Annual Report 2018-19

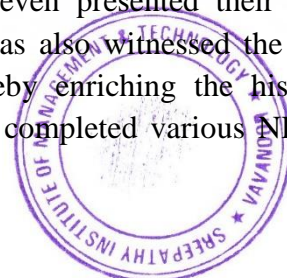

This academic year, like every year in the history of our college, is brimmed with curricular and co-curricular activities that set a milestone in our journey ahead. It is a privilege to present this report which documents the activities of Sreepathy Institute Of Management And Technology, Vavanoor for the year 2018-2019. This Annual report presents a holistic view of the academic, student centric support system and administrative mechanisms of SIMAT during the period. The year 2018-19 witnessed remarkable progress in the academic, co curricular and extracurricular activities in the college along with the development of infrastructural facilities. The major achievement was the excellent results produced by our students (2015-19 batch) in the University Examination as indicated below.

### **2015-19 Batch S8 KTU Result**

Sl No.	Branch	No. of Students Attended	No. of Students Passed	Pass %	University Average	Position
1	CE	62	49	79.03	75.66	51
2	CSE	55	45	81.82	73.37	28
3	ECE	47	36	76.6	75.93	47
4	EEE	33	21	63.64	73.05	65
5	ME	91	63	69.23	67.34	52

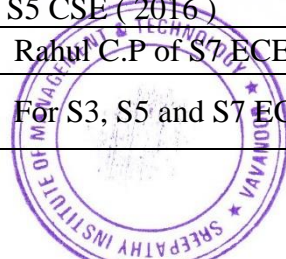

In line with this, most of the other batch students also produced good results at an average of about 75%. It is known that Sreepathy stands among the first 7-8 colleges in terms of results in the University out of around 40 Engineering Colleges which is highly encouraging for a start up college like ours. The faculty and staff team feel proud to provide quality education by equipping our students with skills, confidence and a positive approach with an all round development which is made possible with the financial assistance provided by our management.

In the co curricular and extracurricular areas more facilities/ opportunities were created during the year. Students were encouraged to participate in the various arts / sports / cultural / technical events both in the college and outside. Many of our students participated and won prizes in these events. Our students have even presented their project topic and technical papers in state level events. The year has also witnessed the glory of securing ranks in university levels by our students thereby enriching the history of academic achievements of SIMAT. The students have also completed various NPTEL Courses in online platform.

### Training & Placement:

The academic year gone by was a very prospective year for the department. Personality development and communication skill program has been conducted for their intellectual growth and to inculcate the professional competency for the students with fill Energy and passion Similar to last year, the dept. was able to provide top quality outsourced trainings, for various batches, in the areas of soft skills ,mathematical aptitude etc and has made sincere efforts in sustaining the momentum gained by, via continuous in-house training with the help of a team of dedicated faculties from various departments.

The dept. has also made some commendable efforts in providing opportunities for the students to take part in various recruitment drives of around 100 plus organisations, via campus/off campus/pooled campus recruitment drives, job fairs etc.

The details of few of our students who got placements, are given below

I feel extremely happy and privileged over development of the college during the year 2018-19 and with the kind dedication and guidance by the Sreepathy Trust, our staff members and students,I am confident that Sreepathy will be known among top Engineering College in Kerala in the near future.Students are oriented here towards conspicuous value additions, namely, the quest for knowledge, the desire for innovation, the approach for total personality development and the pride in being a member of SIMAT family. The institute has rightly envisioned becoming a role model in technical education and the most preferred choice of students, parents, faculty and industry.

Thank You and Best Wishes
