3. Waste Recycling

SAVE PAPER SAVE TREE / INGENIOUS-15, 15TH Oct.

As a part of tree conservation we the NSS Volunteers under the leadership of Ashish Dane (S5 ME) kicked off the book binding activity. This was a reforming of the unused papers to a rich fair pile of books. The works behind this fantastic venture was held only after our college hours. The inaugural session of save paper save tree was held on 15th October 2015 by Principal Dr. SP Subramanian sir by giving a copy of our book to Mr. Thankachen sir, HOD, EEE & Recently E-Governance System (Paperless System) was Introduced in campus to reduce Paper Waste.
