**Believe it or not,  
Graduation will be there before we know it**

Mahakavi Akkitham Achuthan Namboodiri inaugurating the course completion ceremony 2013

*“In this best of possible world all is for the best”* -VOLTAIRE (1694 -1778)

The first course completion ceremony of ‘Sreepathy Institute of Management and Technology’ was held on June 21, 2013. The function began with the prayers. Principal Dr. SP Subramanian welcomed the gathering. The other dignitaries included Sri. P. Sankaran Namboodiripad (Chairman Sreepathy Trust), Mahakavi Akkitham Achuthan Namboodiri, Sri Artist Namboodiri, our Academic Director Sri K.B.

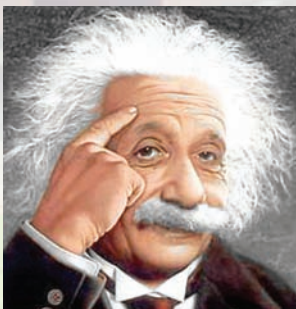

Brahmadathan and Heads of all the departments. The welcome address was followed by our Chairman’s Presidential Speech. The function was formally inaugurated by Mahakavi Akkitham Achuthan Namboodiri. Sri. Artist Namboodiri enthralled the gathering through his address and mesmerised the audience through his art. The gathering was felicitated by Sri. K.B. Brahmadathan, Sri. K. Vijayan (Director, Sreepathy

Trust), Sri. Santhosh Luka (Vice President, PTMA), and Sri. Varun K (Student Senate Chairman). The passed out students were given away their certificates. They all lighted the lamps of knowledge. The imprints of their presence was marked through the photographs. The toppers of various departments were awarded with cash prizes. The function was wound up by vote of thanks.

*Concern for man and his fate must always form the cheif interest of all technical endeavors.*

*Never forget this in the midst of your diagram and equations.*

**GREEN CAMPUS**

As an initiative to make the campus green and energy efficient the following projects are completed.

&1 KW Solar Panel installed and the electricity generated is stored and utilised for illuminating the campus during night..

Solar Panel

Bio gas plant

& Bio gas plant installed for waste management. The gas generated is utilised in the canteen.

& An incinerator is fabricated and installed for solid waste disposal

Incinerator

### Message from the Secretary

Members of the Sreepathy family!

**P. Jayan**  
Secretary

I am really happy to know that Sreepathy Institute of Management and Technology is bringing out the new edition of the news letter, Panchajanyam. In fact after the first issue, which was brought out by the Sreepathy Trust, we were planning to bring out the newsletter periodically. But unfortunately it failed to materialise. Finally it was the

resourcefulness of our Principal which saw this newsletter being released again.

I am deeply saddened by the death of Prof. P Neelakantan Mooss, who Left us on 17-11-2013 and let me take this opportunity to express my heartfelt condolences to the family on behalf of the Trust and on my personal behalf. He was one of our Trust members whose contribution to the growth of the institution right from the initial stages was immense. I am proud to have known such a kind,

**Prof. P Neelakantan Mooss**

warm and brilliant person. My prayers and thoughts are with him and with those he left behind.

The Principal and staff of Sreepathy College need to be congratulated for the excellent results they are producing consistently in the University exams. These results become all the more creditable when we consider the quality of our intake. Furthermore, their earnest efforts, in all spheres of development, are taking us towards a bright future.

Our infrastructure development had been slower than anticipated and I beg your pardon for that.

The reasons for the delay are so complex and varied that I am not detailing them here. Despite obvious limitations I believe that we have done remarkably well. The work on the new library block and the entrance gate has started and is expected to be over soon. The finishing touches to the main block are over and our surroundings have become neat and presentable, if not excellent.

I congratulate the people behind this venture and reassure all the support from the Trust.

Best wishes

**P. Jayan**  
Secretary, Sreepathy Trust

### Message from the Academic Director

**K.B. Brahmadathan**  
Academic Director

With examination almost at the door step your preparations must be at a feverish pitch. I am sure you all will strive hard to excel in studies but to be fully successful you have to be “clever with the

examinations” also. This implies that during the final stages of preparation you have to be more examination oriented especially in the present academic environment.

I am extremely happy to know that Susmitha T.M of S8 ECE has been placed in TCS, one of the most sought after companies. Congratulations to her on this wonderful achievement !!! We

expect some more companies to come to our campus for placement interviews next month.

I also appreciate the efforts taken by the staff to improve the academic standard of our beloved institution!

**Good wishes to all in all walks of life!**

**K.B. Brahmadathan**

### Message from the Principal

**S.P. Subramanian**  
Principal

While forwarding the participants details to the A Zone Arts Festival Committee, I noticed the name of an event “SArting” written by one of our student. This is an example illustrating the danger of ultra casual English which is common among youngsters. Some of the abbreviations commonly found in SMS are 2day, nite, wrng, wen, bcoz, msg, lyt..... These types of communication may be acceptable at friends level but not at workspace. The danger is that

you may unknowingly use the same language for official communication also (as mentioned in the first sentence). There is always a possibility that you forget the actual spelling and tend to write the same in examinations and other places also.

Another way the youngsters communicate is by Mangleesh like “Ith nammude clgle oru bahumana petta teachr kulatha ketto” (Courtesy: -simat confessions)

Communication is the most vital skill for an Engineer. If you want to be successful in your career, you have to minimise, the SMS kind of communication and the usage of “Mangleesh” which are completely lacking in grace.

Another text taken from the mail box of a student

“British rooled avar kantry far meny ears. They destrayed avar culture So wat? Let us destroy their laangeyege lake dhis.”

Unless our youngsters start communicating with good language I really fear the above sentence may become true in the near future.

**I wish Sreepathy students start communicating with more grace.**

**With best wishes**

**S.P. Subramanian**  
Principal

### Mathrubumi Madhuram Malayalam

**Paanchajanyam Reporter**

*Inaugurating the program by handing over News Paper*

**Dr. S.P. Subramanian** Principal of Sreepathy Institute of Management And Technology inaugurated the project ‘**Madhuram Malayalam**’ at Govt. Vocational Higher Secondary School, Vattenad by distributing Mathrubhumi News paper to the School Chair Person K. Swathy. School Principal Mr. M.K. Shajiv, Head Master M. Krishnakumaran, Sreepathy Academic Director Mr. K.B. Brahmadathan, Dr. George C.T. HOD / AS & H attended the function. The Scheme was sponsored by Sreepathy Trust.

# Review on Micro Teaching

Asst. Professor Jayadevan Dept. of ECE

Prof. KV Leela and Dr. Shaji PR evaluating the presentations

With an aim to develop and promote the teaching skills of faculty members, SIMAT had organised an ISTE sponsored Faculty Development Programme, Micro Teaching, on 24.08.2013. The programme was conducted by two resource persons, Prof. K.V. Leela Prof. and Head, Dept. of CE, Vidya Academy and Dr. Shaji. P.R., Professor, GEC Thrissur who are experts in this area. A participation of a 30 randomly selected faculty members with

five to six numbers from each department was there.

An introduction session to microteaching by Prof. K.V. Leela was arranged on 21.08.2013 for the participants. It seemed to be very useful for all those who attended as the speaker conveyed some important aspects of micro teaching as well as the skills, preparations and planning that a teacher should be aware of. Also some selected video lectures of

micro teaching were shown to the participants.

In micro teaching programme on 24.08.2013, each participant was given time limit of 10 minutes for lecturing any relevant topic before the evaluation committee (both peer and external evaluation) and the remaining participants. The evaluation of the lectures was based on the various aspects like preparation and planning, introduction to the topic, voice modulation, eye contact with audience, black board usage, interaction, language, knowledge etc.

The evaluation session of the recorded video lectures of all the participants were done on 26.08.2013. This session was done before all faculty members of SIMAT and members of Management. So the listeners also were well benefited out of it. The external evaluation committee made a comment at the end of the session that almost all of the participants of micro teaching performed well as if they have many years of teaching experience. A programme of this kind is expected to be organised regularly for developing teaching skills of faculties. ■

## Christmas Celebration

*"The Spirit Of Christmas Is All About Fun, Love and Joy, X' Mas reminds us to share our Love and happiness with the Less Fortunate."*

Priyanka and Nikitha

SIMAT celebrated Christmas which turned out to be entertaining and joyful. Christmas tree was ready, presents were waiting. Auditorium was beautifully decorated with balloons, glitters and stars. A Crib also was

shepherds came in to see their Lord. With no delay the three kings following the star came to see the baby lord with gifts...

Credits to our dear Teachers, they helped the students to make it come to reality. Then the dancers showcased a beautiful performance of Bible Dance. As soon our dancers showed their talent, time came for the singers', Class wise carol songs.... it was so much soothing and mind blowing. We had the Best Santaclaus

competition. There came many Santas together dancing and rolling the jingle bells played in the background. Just simply rock and roll!! We concluded the program by wishing each and promising each other to always try to be in joy by loving each other and making life

peaceful and joyful. It was a memorable day filled with fun.

Santas in Best Santa Competition

## Volley Ball Tournament

Paanchajanyam Reporter

Volley Ball Tournament

Calicut University Inter Collegiate Volley Ball Tournament was held on 24.9.13 at Sreepathy Institute of Management & Technology. The inaugural session was held at 9.30 am. Our Academic Director Mr. K. B Brahmadathan inaugurated the session. College Principal Dr. S.P Subramanian presided over the function. A total of 15 teams participated in the tournament.

Six Officials from Volley Ball Referees Association were present in the event. The team from NSS College Nenmara got First Place. NSS Engineering College Palakkad got Second Place and Govt. College Chittur got Third Place. The closing ceremony was held at 5.00 pm. College Principal Dr S.P. Subramanian gave away the prizes to the winners.

Principal inaugurating the function by cutting the X'mas cake

decorated on the stage. Inside the crib Joseph and Mary knelt down with love and care. Principal Dr S P Subramanian inaugurated the function by cutting X'MAS cake. Sweet Cake was distributed among us spreading the message of sharing and togetherness. The song, Silent night Holy night, came as curtain rose. The

Mr. Ratnakar Rao inaugurating the Tech Fest

Technical Festivals are the integral part of Engineering Colleges. Panchajanya, the First National Level Science and Technology Festival of Sreepathy was conducted on Feb 1<sup>st</sup> & 2<sup>nd</sup> in the year 2013. It was conducted with a view to bring out the talents and skills of students. A wide variety of programmes and competitions were conducted as a part of it. Each and every student took active participation in the tech fest. Apart from our college students, the students from other colleges also participated in the competitions and won cash prizes.

All the six branches CE, CSE, ECE, EEE, and AS &H (combined SIS2 Batch) organized various events. All the HODs & teachers actively participated in leading their respective branches for their programmes. The technical Festival was inaugurated on Feb 1 by Mr. Ratnakar Rao, ISRO Deputy Director (MSA). Felicitations were given by HODs of all Departments and Student Senate Members. Sreepathy Trust Director Sri. K. Vijayan and PTMA President Sri. U. Unnikrishnan were also present

## Helping Hand

For Cancer Infected Persons

Lakshmidhevi K K S6 ECE

NSS volunteers handing over the donation amount to Mr. Mohanan

As a part of palliative care activities of NSS unit, SIMAT an initiative to help cancer patients was inaugurated on 19.10.2013 by Mr. Mohanan (Pain & Palliative care unit Pattambi). The service that are provided by the palliative care units are rehabilitation of old people and caring of the several diseased people. The mobile units including Doctors are visiting houses of bedridden patients; thus providing comfort

to them. The money for providing better facilities for the patients was collected from different areas. Palliative care unit is inspiring patients who are suffering from severe diseases like cancer and also helps them to change their depressive mentality. The inauguration was followed by a talk on palliative care activities by Mr. Mohanan. On the occasion an amount of Rs 2000/- was donated by NSS Volunteers.

# panchajanya

## Various Events of Technical Festival

With a lot of efforts from the parts of teachers and students, various events were conducted to enrich and enlighten the knowledge of students as well

as to enable them to bring out their creativity and talent. The top events of the occasion were

- Absolute Nexus: A programme of designing of electronic circuit, for those having madness towards perfection of

Dr KBM Namboothirippad addressing the gathering

## Achievement Award

- Honourable Brilliance

Paanchajanyam Reporter

Mr. M Gopalakrishnan, Administrator SIMAT handing over the award for brilliance

‘The mighty oak was also once an acorn’ – so the saying goes. So it is with little children who start off with clean states and after years of education, end up as worldly wise adults. Here we take a look at the achievement received by two brilliant students of our College. Mr. Krishna Das who won First Prize & Mr. Vishnu Sankar PC with Second Prize, Final Year students of Electrical And Electronics Engineering Department for the Quiz Competition conducted by KSEB. Mr. M. Gopalakrishnan Administrative Officer of SIMAT gave away the prizes to winners.

# = Tech Fest

circuit.

•Paper presentation: To improve the confidence level of students to face the public an opportunity was given to serve flavours of various engineering and Technical forms.

•General Quiz: To bring out the intelligent brains a quiz was conducted which had everything in it ranging from business to

projects. In addition to it an Expo by KSEB was organised.

Sci-Fi Gala was another extraordinary innovations by AS & H Department, this shows the Science & Technology with same freshness and flair by the first year students. Yet another wonderful experience for students was there 'Ignito'

Mr. Ratnakar Rao inaugurating the ISRO Stall

sports, entertainment to enlightenment, science to culture, literally everything under the earth.

•Treasure Isle: To know the joy of acquiring the valuable treasure after a tough battle.

•Wheels: A ganging which consists of 3 rounds and the best from the 3 was chosen as winner.

•Think Quest: In order to discover the best ideas of innovations from students.

which had an OS Expo which has an open source and proprietary operating System exhibition and also an Expo by ISRO & KSRTC was really exciting. All the nearby school students were invited to see the exhibitions and their response was really notable. A combination of all these competitions

Iconoclastz, Project Exotica, Ignito & Sci-Fi Gala where a family of exhibitions for the students. The art of creativity is an unique performance as it is the reflection of the sum total of it's makers subjective and objective features. This thought made the students to organize these exhibitions. Project exotica was an exhibition of electronics projects which was having a excellent collection of various innovations from students side.

Iconoclastz was conducted by Electrical Dept. which exhibited a presentation and display of electrical commodities and

ISRO Exhibition Stall

KSRTC Exhibition Stall

and exhibitions attracted so many students from other colleges and schools as well. This response from the part of audience was enough to indicate how successful this Technical Festival was.

Winding up of this 2 day event was done by distributing the prizes and Certificates by the Principal. He appreciated all students who worked behind to make this function successful and congratulated the winners.

## NOT ME, BUT YOU

Provide Service to the Society without bias

Aravind G Nampoothiry

Inaugural session of NSS Day

NOT ME, BUT YOU, motto of NSS, reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It should be the aim of NSS to demonstrate this

motto in its day-to-day programme. We, the NSS volunteers and college faculties, observed 24<sup>th</sup> September, NSS day, in the College Campus. Dr. S.P. Subramanian, Principal of SIMAT, hoisted the NSS Flag. The program was completely accomplished with the valuable

presence of Mr. Sebin Sunny (Program Officer) Sri. Brahmadathan, Dr. K.T. Madhavan, Prof. K.N. Narayanan, Prof. Thankachan P.V., Prof. Ganesh P, Prof. Sudheer, Mr. Hitesh. The flag hoisting function was followed by the NSS Song and all dignitaries gave valuable talks on NSS and its activities. After the talk NSS Volunteers distributed sweets to all students and faculties. The programme was coordinated by NSS volunteers of Civil Engg. Dept. A quiz competition was also conducted. Around 70 students participated in this event and student volunteers and members of SENA supervised the program.

## Coir and Geotextile Camp

Dr K Balan delivering the inaugural speech Coir & Geotextile Products

Coir geotextiles is a national erosion controller and promoted the new vegetation by absorbing water and preventing the top soil from drying out, said Dr K Balan. He was the Director of Kerala Coir Research and Management Institute, Thiruvananthapuram. He laid a firm foundation in the field for the past 15 years and published many research papers on the same.

Dr. Balan was speaking in the seminar hosted by the Association of Civil Engineering, SIMAT on 27/09/2013. The topic of the seminar was 'Application of Coir Geotextiles'. The seminar was inaugurated by Dr SP

Subramanian, Principal of SIMAT. Er. Sudheer K V, Head of the Department of Civil Engineering introduced the Chief Guest to the audience.

During the presentation Dr. K Balan pointed out that coir geotextiles were 100% natural, eco friendly, strong and durable and bio degradable. It absorbs solar radiation, just like the natural soil and unlike geo synthetic materials.

"Coir geotextiles provides good soil support allowing natural vegetation to become established. Thickly woven coir matting as a reinforcement for mud walls has withstood the flooding conditions" – He added.

## Pookkalamalsaram

SIMAT team in Appollo Gold pookkalam

The S4 students of Civil Department of Sreepathy

Institute of Management and Technology participated in the pookkalamalsaram held by Apollo Gold and Dubai Gold. In the pookkalam competition held by Dubai Gold on Oct 5<sup>th</sup> Sat 2013, the S4 students stood first among other competitors. They were awarded with Gold Necklace. Yet another competition organised by Apollo Gold, in which the students of S4 CE came first, was awarded a cash prize of Rs 10000 along with a Trophy. The competition was held on Sept 15, 2013.

## SIMAT Family News - New borns

- \* Mr. Rajaneesh R Asst. Professor of Electrical & Electronics Department was blessed with a baby girl on 05/11/13.
- \* Mr. Suhas KN, Lab Instructor of Electrical & Electronics Department was blessed with a baby girl on 12/09/13.
- \* Mr. Sumesh .S, Lab Instructor of Mechanical Department was blessed with a baby boy on 06/11/13.

## Conferences

**Mr. Sanjay U**  
Asst. Professor,  
Mechanical  
Engg. Dept.

attended an International Conference named COSMOL Conference at Bangalore and presented a paper "Joule heating effects on electro osmotic flow occurring in a cylindrical construction micro channel" on 18.10.2013. The COSMOL Conference is the premier event for multi physics simulation. Held annually, multi physics enthusiasts exchange their ideas through the contributed papers, presentations, and posters.

**Mr. Hafis P.V.,**  
Asst. Professor,  
Mechanical  
Engg. Dept.

attended an International Conference named "ICMF 2013 3<sup>rd</sup> international conference on materials for the future – innovative materials, processing, products and application" and presented a paper titled *Numerical Simulation of Flow, Heat Transfer, Mass Transfer and Electrochemical Reactions in Pem Fuel Cell* at Govt. Engineering College Thrissur from 6<sup>th</sup> to 8<sup>th</sup> Nov 2013. The conference was about the present day technological advancement that has enabled formulation of new engineering materials and has redefined devices at just not Micro, but also at Nano and Pico Levels. Still, much more need to be researched to have innovations in materials that will be culminated into novel products for use in many engineering and scientific applications. Also there is a growing trend around the world in engineering to address issues of sustainable technological development.

## Food Kit Distribution

Mr. Mohanan with NSS Team

Food Kits were distributed to 57 AIDS infected families during a programme organized by the charitable society – KESS HAPPI. The food kits were donated using the fund collected as a part of RRC activities of SIMAT. NSS volunteers distributed the kits during the programme. Smt. Vasantha (Block President Pattambi), Mr. Jinil T N (PO Pattambi), Smt. Santha Kumari (CDS Pattambi), Mr. Jaypal (President, Co-operative Bank Kulapully), Mr. Subramanian (PA PTB), Mr. Midhun A (NSS Volunteer Secretary, SIMAT), & Mr. Sebin Sunny P (NSS PO SIMAT) were present for the programme.

## Voter's ID

### Enrolment Campaign

Sreesha P

ID card enrolment Campaign

A campaign for voter's ID enrolment was conducted on 10<sup>th</sup> October 2013. Mr Rajesh Kumar MR and Mr. Suresh Babu PK of Ottapalam Taluk Office collected the details of students for Voter's ID. NSS student volunteers Midhun A (CSE S5), Deepthi MK (CE S5), Sruthy (CE S5) and Aravind G (EEE S5) coordinated the event. A total of 350 students registered for enrolment and 160 students enrolled for the Identity Card.

## Compulsory Social Service (CSS)

Nisha S., Asst. Professor Dept. of CSE

*Sreepathy students at various Charitable Organisations*

CSS (Compulsory Social Service) is a part of Calicut University B- Tech Course to develop social awareness among students. The students and staff of SIMAT visited various charitable organisations such as school for mentally retarders, Old age homes, orphanages etc. On 27.9.13 S3 CSE students went to Abhayam Old Age Home near Kolappully with Mr Jyothis KP and Ms Ashmy Antony. On 13.9.13 S7 CSE students visited AWH School for

exceptional Children in Nhanghattiri with Ms Nisha S and Ms Aparna M. On 2013 October S5 CSE students visited Balashraman Orphanage for kids near Mayanoor with Ms Jayasree NV and Mr Ganesh P. On 7th Sept 2013 S7 EEE students visited Karunya Charitable Trust with Mr Shinoj and Ms Dilja. K On September 2013 S5 ECE students visited Gagultha near Kaiparambu with Mr Krishnakumar and Mr Nishanth P.

## Blood Group Determination Campaign

Midhun A

*Mr. Ganesh(HOD CSE) & Mr. Rajeneesh R. Asst. Prof. in EEE Releasing the Blood Donors List*

A blood group determination campaign was conducted at Sreepathy Institute of Management and Technology, Vavanoor from 09<sup>th</sup> to 13<sup>th</sup> September 2013 under NSS and SENA unit of the college. During the campaign NSS volunteers and members of SENA collected the names of

interested blood donors from college. They prepared a directory of students including their names, branch, mail id's, phone numbers and blood group. They also managed to prepare a database of the collected details with the help of Computer Science Engineering Dept.

## Red Ribbon Club

*Prof. Thankachen (HOD EEE) handing over the donation amount to the charitable Society*

Red Ribbon Club was inaugurated by Prof. K.N Narayanan on 12.09.2013. The event started with the NSS song. Prof. Thankachen P.V (HOD, EEE), Er. Sudheer K.V (HOD, CE), Mr. Gopalakrishnan (SIMAT Administrator), Mr. Jobish (A.P AS&H), Mr. Sarath Sankar (A.P,ME), Mr. Subramanian & Mr. Jinil (KESS HAPPI, Palakkad) were present for the inaugural function.

Prof. K.N Narayanan delivered the inaugural address in which he stressed the need for clubs like RRC and blood donation camps. Inaugural address was followed by felicitation by Prof. Thankachen P.V, Er. Sudheer K.V & Mr. Gopalakrishnan.

After that an amount of Rs 8000 collected by students for AIDS infected children was donated to

KESS-HAPPI, a charitable society working in favour of AIDS infected families. Mr. Sumit Mohan, S5 ME, delivered vote of thanks.

The inaugural function was followed by a class on general awareness on AIDS by Mr. Subramanian & Mr. Jinil. NSS volunteers, SENA members and RRC members attended the class.

After the orientation on NSS Mr. Sumith Mohan & Mr. Babeesh (S5 ME) shared their experience in Pain & Palliative Care workshop. Prabath Kiran (S7, EEE) & Sreerag P.M(S7 EEE) coordinated the amount collection from students. The inaugural function was successfully coordinated by NSS volunteers of ME.

## Student Achievements

**Mr Anu C, Vinay KP and Fazlu Rahman** of S8 CSE and **Mr Sandeep Nithyanandan** of S4 CSE attended a workshop 'on Cyber Security conducted by Amritha Viswa Vidhyapeetham on 20<sup>th</sup> and 21<sup>st</sup> Sept 2013

## Staff Day

Sreepathy Staff Day was celebrated on 30.11.2013 at Varikkassery Mana Manissery. The event started with a prayer by Mr. Sreedath MK Asst. Prof. of ME Dept. Dr. George CT, HOD AS &H, who is also the Staff Club Co-ordinator of SIMAT welcomed all the staff members. Principal Dr. SP Subramanian delivered the inaugural address. Staff members participated in cultural programmes like Group Dance, Group Song and other programmes.

*Staff members at Varikkassery Mana*

## NSS Seven day special camp

Deepthi, Sruthy, S6 CE

Principal Dr SP Subramanian giving a Talk

The Seven Day Special Camp was conducted at Karunya Charitable Society Old Age Home, Parappur from 20 - 27 Dec., 2013. Sri PA Madhavan, MLA - Manalur, inaugurated the programme. Dr SP Subramanian Principal SIMAT, Sri CT Cheru President Karunya Charitable Society, Sri PK Rajan Chairman Thrissur Dist. Panchayath, Rev Fr Pauly Neelankavil – Vicar St. John Nepumcian Forance Church, Smt Maggy Jose Puzhakkal Block President, Sri VP Paulouse Retd. Dist. Judge were present in the inaugural session. Health Survey, Awareness of Blood Donation and Organ Donation were the main aim of the camp. 45 NSS volunteers, 2 SENA members and one non student volunteer participated in the camp. Volunteers conducted health survey in 3200 houses of Tholur Gramapanchayth. Mr Hitesh (Asst. Prof. AS & H), MR. Shibu (Dept. of EEE), Miss Remya TR (Asst. Prof. EEE), Miss Sreeshma (Asst. Prof. CSE) gave guidance throughout the camp. Mr. Jayanthan KS (Asst Prof. CSE) gave a talk on

leadership and self motivation, which gave a positive attitude towards life.

Dr. Vivek explained the importance of organ donation in our society. Dr. Varma conducted a talk on antidrugs. Adv. CB Mukundan (Consumer Law), Mr CT Cheru (Good Family), Miss Sheeba (Human Justice) handled various sessions.

Swimming classes were given to students by Mr Arumukhan at Konikkara gardens. And also students got a chance to visit Poly House of Mr Johnson, Secretary of Thrissur Kararkshka Samiti. Medical camps were conducted at wards of Tholur Panchayath.

The team visited Pakal Veedu as a part of survey. It was a heart touching experience for all of them.

The valedictory function of NSS Camp was held on 27<sup>th</sup> Dec 2013.
