## One District One Idea Program for MSME - Innovation Clusters

Govt. of Kerala has identified clusters for small scale industries. The leads for these small scale industries are given from certain centers. Our college has been selected to lead one cluster of small scale industries. This program is called as One District One Idea program for MSME - Innovation Clusters. There are 9 clusters in Palakkad district.

## Mr. Sebin Sunny selected into National Level panel of Toycathon Experts

**Sebin Sunny P**

Most of the toys that's being used in India are exported from China. This is to develop toys based on Indian ideas. Toycathon -2021 is a unique opportunity for Students, Teachers, Start-ups and Toy experts / professionals in India to submit their innovative toys/games concepts and win large number of prizes worth upto Rs. 50 Lakhs. Mr. Sebin Sunny (Assistant Professor EEE) got selected in to the National Level Panel of Toycathon experts. He was selected by Ministry of Human Resource and Development.

## NEERARIVU – Orientation Session

In relation to the census to be conducted in Nagalassery Grama Panchayath, the Groundwater department along with the NSS Unit 233 of SIMAT organized an Orientation Session “NEERARIVU” for the volunteers. The program started with the welcome speech by Mr. Syam Prasad G (NSS Program

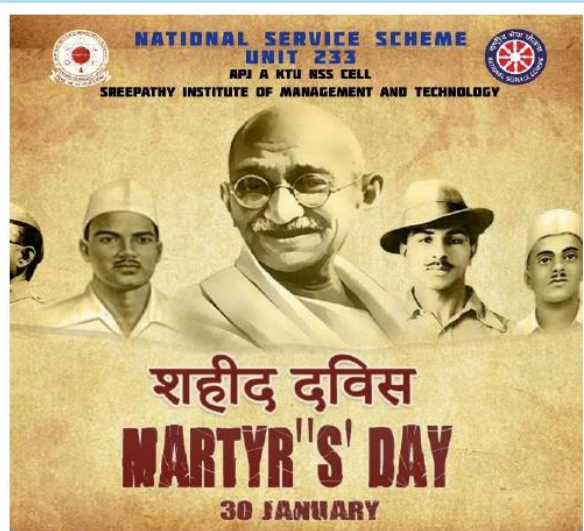

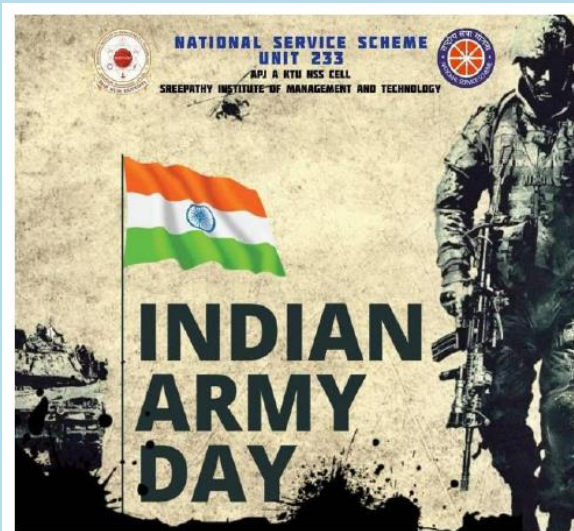

Officer, Unit 233 SIMAT). The session was inaugurated by Dr. S.P Subramanian (Principal, SIMAT). The session was handled by Anish M (Hydrogeologist, Groundwater Dept.) He gave a brief idea to the volunteers on the need and motto of groundwater surveys and also familiarized a mobile application which would help the volunteers for the survey. . Few volunteers along with the speaker visited the nearby houses as a part of survey demonstration. It was an informative session for the volunteers. The presence of Mr. Sebin Sunny P (Staff Program Coordinator) also made the session fruitful. The session came to an end with the feedback session and vote of thanks by Ms. Suhailath T K (S3, ECE).

## DAY OBSERVATIONS:

**INDIAN ARMY DAY (15/01/2021)**

**MARTYR’S DAY (30/01/2021)**

NSS unit of our college observed these days as well

## REPUBLIC DAY

The NSS unit 233 of SIMAT also commemorated the day by conducting certain programs through online platform. In relation to the day a quiz competition named "PARAMPARA" and Malayalam patriotic song competition "DESHBAKTHI", were also conducted. The quiz competition was conducted through Google meet and many students have participated in the program. Both the programs were open to all students of Sreepathy. Prizes were also distributed to the winners.

## PALLIATIVE DAY

As a part of palliative Day, on 28th January 2021 Thursday, the Nagalassery Gram Panchayat conducted a primary health service program "Thanal 2021" at block Panchayat hall Thrithala. Panchayath Members, officials, Palliative care workers, Asha workers, Kudumbasree workers etc took part in the program. Few NSS volunteers of unit 233, SIMAT helped them for conducting the program. Volunteers helped them in the documentation, sanitization, serving refreshments and food. The program was conducted strictly following the Covid-19 protocol.

## POLIO VACCINATION

At regular intervals the children need to be given Polio Vaccination respective of their ages. The Nagalassery health centre organized a 3-day Polio vaccination program at the Koottanad health care centre. Few NSS volunteers of NSS Unit 233, SIMAT assisted the health officers in the smooth conduct of the program. They were given the work of convincing the

people about the importance of polio vaccination in a booth outside the health centre.

## Social Service of NSS Volunteers

Few volunteers of NSS Unit 233, SIMAT took part in the maintenance work (Cleaning, painting etc) of the Government Boys Children's home Thavanur, Malappuram on 28th of January from 10am to 3pm. Mr. Vaishak (Staff of Children's home) guided the volunteers in works. Volunteers also spent some time with the children of the orphanage.

## Staff Achievements

Thejus Engineering College invited Mr. Sebin Sunny for an expert talk on startup and it's culture. It was a 3 hr motivational session. The talk included the methods of funding etc.

## Students Achievements

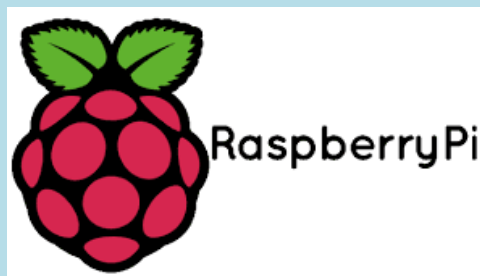

Crypto Brain was a 3-day workshop based on basics of magic, hypnotism and interactive mentalism conducted on 22-24 January 2021 through online platform.

The program was intended to provide knowledge about the professional field of magic and mentalism and helped them in developing showmanship.

## Come and code mentor training

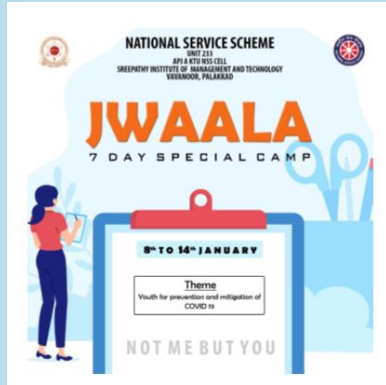

Raspberry pi is a mini computer. This is developed by Raspberry foundation in UK.

Rasp berry pi foundation of India conducted come and code mentor training. Our college have a tie up with the library in red bridge UK and signed a contract to teach coding to students of rural Kerala. This program is called as "Come and Code India ". Approximate cost of the program is 20 lakhs and we are proud to announce that the IEDC cell of our college conducts this program for Kerala.

The mentor training for this program is also arranged and conducted through our college. Now onwards come and code training will be conducted by IEDC cell of SIMAT.

## NSS Seven Day Special Camp

The National Service Scheme (NSS) is an Indian government sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India.

The NSS unit (Unit.No.233) has been functioning in the campus under NSS Technical Cell since 2010. From its inception the unit has carried out many notable activities and programs in each year.

Camping forms an integral part of NSS Programs.

- ✓ It provides unique opportunities for students to participate in meaningful outdoor activities.
- ✓ The main purpose of special camping program under the National Service Scheme is education.
- ✓ It helps to broaden the outlook of the students and develops in them a sense of national consciousness and social responsibility. It inculcates in them self-discipline and develops dignity of labor.

This year NSS 7-day special camp – “JWAALA” was conducted from 8th to 14th January 2021 including various online as well as offline programs and activities.
