ISSUE NO: 07

JULY 2023

NEW GENERATION ENGINEERING COURSES IN SREEPATHY

All India Council of Technical Education has granted permission to start the new generation engineering courses in B. Tech Artificial Intelligence(AI) and Data Science, Electronics Engineering (VLSI Design and Technology) and Electronics and Communication (Advanced

Communication Technology) in Sreepathy Institute of Management and Technology from the Academic Year 2023-24. Press meets were arranged at Thrissur and Pattambi Press Clubs on 24th and 25th July 2023 in order to give publicity regarding the new courses introduced in the college. The responses from the journalists were highly positive. Sri. K B Brahmadathan - Director, Sri. Ajithkumar Raja - Director, Dr. S P Subramanian, Principal and Dr. Sagar M Narayanan, HoD AS&H, Prof. Sushma M, HoD, ECE and Prof Rejaneesh R, HOD, EEE participated in the press meets.

STUDENTS INITIATIVE IN PALLIATIVE CARE INAUGURATION

Principal, Dr S P Subramanian, attended a function as Chief Guest on Sunday, 16th July 2023 at Pratheeksha Bhavan, Koottanad. The program was intended to form the Students Initiative in Palliative care group (SIP Group). About 100 student volunteers from various schools in Thrithala Block participated in the program. Mr. Ranjith Master, NSS State Program Coordinator, VHSE Kerala, inaugurated the event. The office bearers of Pratheeksha Palliative care, Koottanad center coordinated the event.

RIVER PARLIAMENT

Mr. Sankaranarayanan K M, HoD Civil Engineering along with six students, Mr. Fayiz Ummer, Mr. Shijas PB of S6 CE, Mr. Sanjay T R, Ms. Nayana KJ of S4 CE, Mr. Akshaya M and Ms. Vismaya C P of S2 CE attended a function organized by Friends of Bharathapuzha on Sunday, 16th July 2023 at Lions Bhavan, Pattambi. The program was conducted as the fourth anniversary of the organization. Programme was inaugurated by Dr E Sreedharan. In his speech, he mentioned

about the present condition of Bharathapuzha, and various sources and types of pollutants coming to the river. During this session Mr. Vinod Nambiar gave a detailed report on works carried out by the organization during the last 4 years. Dr Rajan Chungath also spoke in this session.

Second session included talks by Mr. Sujith about the history of rejuvenation works carried during the last decades to save the river. Advocate K Rama, lawyer of Kerala High court said about the legal aspects of this project. Mrs. Preethi from NSS College Palakkad explained about the research works carried by the institute to find the presence of pollutants and how the preservation works can be carried at ground level.

Last session was entirely meant for students who participated in this program. It was conducted in the form of a parliamentary meeting. So it helped students to understand the procedure carried in our parliament.

BAMBOO CLUSTER - PRESENTATION

The second round of evaluation of the bamboo cluster by KDISC was scheduled on 19th July 2023 at K-DISC's Head Office, Thiruvananthapuram. Mentor Institute was asked to prepare a DPR and action plan and present it before the panel for the evaluation purpose. Principal Investigator prepared the necessary documents and the presentation was carried out. The panel recommended some suggestions/modifications and asked to send the documents after making the changes. The presentation started at 4.00 pm and ended at 5.00 pm.

REPORT ON KTU AUDITING

The auditing by external auditors from KTU, Dr. G. Muruganath, Professor, EEE, Ahalia School of Engg. & Tech., Palakkad, and Mr. Manoj M, Asst. Prof., Jawaharlal College Of Engg. & Tech was conducted on 12.07.2023, Wednesday. The auditors checked the college specific and department specific documents.

QUIZ COMPETITION

SIMAT NSS Unit No:233 conducted a quiz competition named 'Mann ki baat' on July 7th 2023. Prime minister Narendra Modi's radio program 'Mann ki baat' has given a new life to the radio medium. The competition was organized as a part of 100th episode of this program. The competition was held in groups. Each group contains one boy and one girl. The contestants are given the question booklet to study in advance. Around 25 contestants are participated. The quiz competition was started at 3.00 pm. The competition was organized under the supervision of Mr. Jishnu B H (Program

Officer, NSS UNIT 233) Ms. Umadevi (Associate program officer, NSS UNIT 233). After the first 10 questions there was an elimination round. Some of them were eliminated and other stayed till the end of competition. The team consisting of Mr. Nandakishor K V and Ms. Nimmi U won the competition. The competition was successful and it was completed at 4.00 pm

STUDENTS ACHIEVEMENTS

- Mr. Akhil V - presented a paper on "Virtual Fencing to Prevent Human Wild Conflicts" at the IEEE International Conference on Innovations in Engineering & Technology, 13th & 14th July 2023.
- Mr. Sarath Krishnan P.V. - presented a paper on "MedApp: An Application for Patient Personal Medical History Maintenance" at the IEEE International Conference on Innovations in Engineering & Technology, 13th & 14th July 2023.

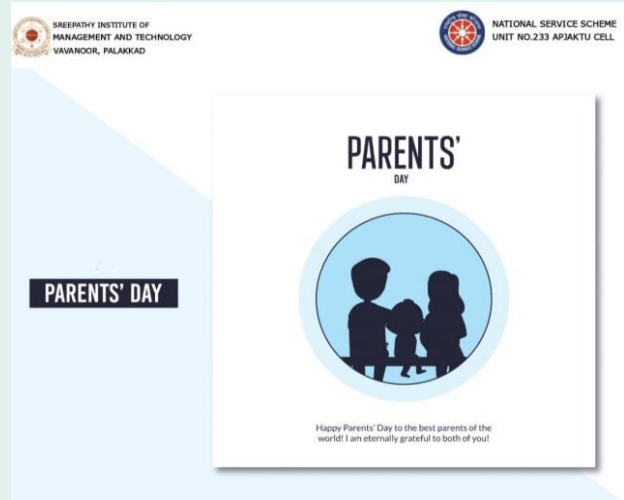

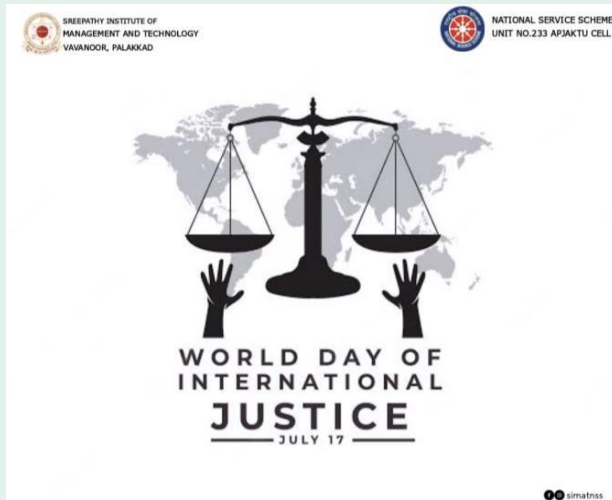

STAFF ACHIEVEMENTS

- ❖ Dr. Ramkumar PN, HoD ME was deputed and performed duty as KTU academic auditor at NSSCE and GEC, Palakkad on 13th and 14th July 2023 respectively.
- ❖ Dr Ramkumar P N, HoD ME, Vinay Krishnan U, AP/ME, Krishnan K N, AP/ME, Mr. Hithes P, AP/AS&H, and Ms. Saranya K P, AP/EEE served as judge for the

Science Exhibition MIRAI' 2023 organised by PDSSC at Sabari Central School, Cherpulasseri on 29th July 2023
