NSS 7 DAY SPECIAL CAMP 2024

The NSS unit No.233 has been functioning in the campus under NSS Technical Cell since 2010 and now working under APJAKTU NSS Cell from 2019 onwards. From its inception, the unit has carried out many notable activities and programs each year. Camping forms an integral part of NSS Programs. It is a creative, sustained, and collective educational experience for students in social service through planned living to achieve certain specified objectives. It provides unique opportunities for students to participate in meaningful outdoor activities.

It involves the students in the learning process through objective observation and democratic participation. The main purpose of special camping program under the National Service Scheme is education. It helps to broaden the outlook of the students and develops in them a sense of national consciousness and social responsibility. It inculcates in them self-discipline and develops dignity of labour. The seven day Special Camp of Sreepathy Institute of Management and Technology, National Service Scheme Unit 233 was held from 23rd to 29th January 2024 at Kalavara, Vattenad.

The inauguration event was graced by the esteemed presence of the institute's Principal, along

with Mr. Jishnu B H (Program Officer), Ms. Uma Maheswari P B (Associative Program Officer), Mr. Janardanan (Administrative officer) and Mr. Gopalan Master (Kalavara). Principal inaugurated the camp on 23rd Jan 2024 at Kalavara, Vattenad. The Principal highlighted the significance of NSS activities in fostering community engagement, leadership, and social responsibility among the students. Emphasizing the importance of the seven-day camp, the Principal encouraged participants to actively contribute to the various initiatives planned during the week.

The Principal elucidated the key objectives of the camp, focusing on community service, skill development, and team building. Participants were urged to embrace the spirit of service and utilize the camp as an opportunity for personal growth and societal contribution.

An overview of the week-long schedule was presented, outlining the diverse activities planned, including community outreach programs, skill workshops, environmental initiatives, and team-building exercises. The participants were briefed on the significance of each activity in alignment with the NSS goals.

The inaugural function of NSS Day 1 filled with great enthusiasm and energy. Gopalan Sir, the esteemed founder of Kalavara, graced the occasion with his presence, adding prestige to the

event. The day was filled with various activities and cultural programs, culminating in a memorable night of celebration.

The event kicked off with a warm welcome address, expressing gratitude to Gopalan Sir for his

invaluable contribution to Kalavara. His presence served as an inspiration to all, setting the tone for a day of purposeful engagement.

Throughout the day, NSS members actively participated in a range of events aimed at fostering a

sense of community and social responsibility. The highlight of the day was the insightful address by Gopalan Sir, sharing his experiences and wisdom, motivating the NSS members to contribute positively to society.

As the sun set, the cultural programs unfolded, showcasing the diverse talents within the NSS community. Dance performances, musical renditions, and theatrical displays captivated the audience, creating an atmosphere of joy and camaraderie. Lots of activities were conducted during the camp.

REPUBLIC DAY

NSS Unit 233, SIMAT celebrated the 75th Republic Day on 26th January 2024 with great enthusiasm. The Programme Officer Mr. Jishnu B H hoisted the National Flag of India. After flag hoisting, he delivered a speech on the relevance of celebrating Republic Day to the current scenario in India. Later, the Security Officer, Mr. Suresh, who is an ex-military man, shared his experiences in his military life. NSS volunteers distributed sweets to all participants.

EXPERT TALK - AMAZON WEB SERVICES

Anticipating the unimaginable advancements in the IT sector due to the new technologies like Artificial intelligence, Data Science, robotic applications, Block chain technology, etc., an overview of the current IT sector was found befitting. Accordingly, Mr. Subhash, Amazon Web Services certified expert was invited for an expert talk on 23rd Jan 2024 covering circuit branches of B. Tech. final year and the faculty members. The guest was introduced to the participants by Sri. Janardanan. M. K. A&PO during which he requested the guest to extend the services of the 39 years experienced official for Sreepathy's growth. The speaker covered various subjects. About 60 students and 20 faculty members attended the program.

The AWS session provided valuable insights into real-time website creation and delved into the fascinating history of cloud computing. The session was aimed to empower the participants with practical knowledge and historical context so as to understand the evolving landscape of cloud technology better.

DISHA-2024 HIGHER STUDIES EXPO & JOB FEST

Disha 2024, a Higher Education Expo was held on 17th and 18th January 2024 in Max Plus Regency at Padinjarangadi under “ENLITE THRITHALA”, a project empowering and enlightening Thrithala’s Education. The expo was inaugurated by Honorable Minister Mr. M. B. Rajesh.

Sreepathy is delighted to have had the opportunity to participate in Disha 2024, a prestigious event aimed at connecting students with valuable educational and career related information.

Our college actively showcased its academic programs, faculty expertise and interactive sessions to engage the attendees. Faculties and staff of Sreepathy Engineering College and Sreepathy Arts College contributed significantly to the Expo’s success.

One of the star attractions in the venue was Lucky Draw Coupons. The students enthusiastically participated in the lucky draw. The Winners were announced by Sreepathy Trust Chairman Sri. Mallissery Parameswaran Namboodiripad on 19th January 2024 at Sreepathy Main Portico.
