

SREEPATHY

MONTHLY NEWS LETTER

ISSUE NO: 06

JUNE 2024

MOU - SREEPATHY & KILA

An MoU was signed between the R & D wing of Sreepathy Institute and Kerala Institute of Local Administration(KILA). The signatories were Dr. S P Subramanian, Principal, Sreepathy and Dr. Joy Elamon, Director General, KILA in the presence of Dr. S Sreekumar, Consultant, KILA, Asst. Prof. Dr. Monish Jos, Dr. Sagar M Narayanan, HoD AS&H and Dr. Rahul T S, HoD CE Dept.

Sreepathy Institute. The event was held at KILA office Mulankunnathukavu, Thrissur on 29th May 2024.

The MoU aims at developing rural technology for

exploring solutions to climate changes, in addition to cooperating in academic and research fields. The MoU emphasized the use of modern technology for predicting

and preventing natural disasters like landslides.

An expert talk session was also arranged on 04th June 2024 at Sreepathy Institute of Management and Technology by Dr. S Sreekumar, Consultant, KILA, on the application of AI and ML in Disaster Management.

S8 RESULTS [2020 Admn]

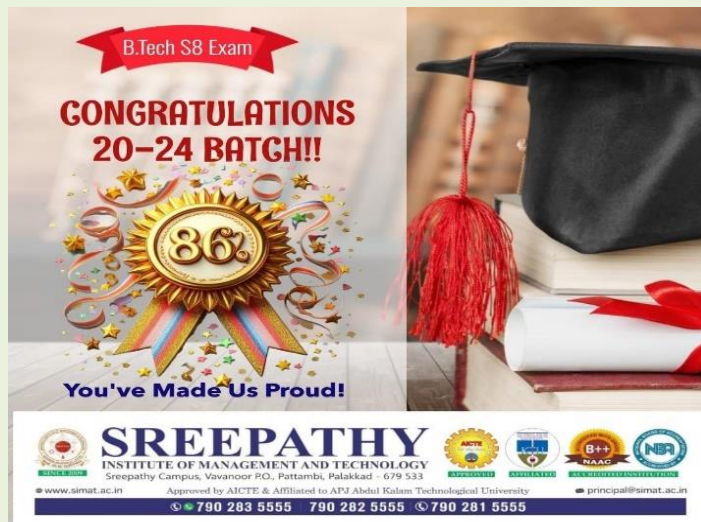

We are pleased to present the results of the S8 examinations conducted at Sreepathy Institute of Management and Technology. This report outlines the overall performance and highlights the achievements of our students across various departments.

Overall Results

The overall pass percentage for the S8 examinations stands at an impressive 85.88%. This reflects the hard work and dedication of our students, as well as the support provided by our faculty members.

Department-wise Results

- Civil Engineering Department:** Achieved a remarkable 100% pass rate. Special congratulations to Sivani Sivan CK, Medha Vasudevan M, and AswathyP for securing the top positions in their department.
- Computer Science and Engineering Department:** Recorded a pass percentage of 88%. Ayisha Pareekkutty, Kavya Haridas, and Aiswarya R have excelled as the top performers in this department.
- Electronics and Communication Engineering Department:** Achieved a pass percentage of 76.82%. Anjali K, Rushidha Nasrin K, and Navya Das have shown exemplary performance and are the toppers in this department.
- Electrical and Electronics Engineering Department:** Recorded a pass percentage of 80%. Congratulations to Vimal K N, Gayathri Suresh, and Abhinand E for their outstanding performance as department toppers.
- Mechanical Engineering Department:** Achieved a pass percentage of 71.4%. Topping this department are Jino Babu E, Sooraj K P, and Pranav C N, who have shown exemplary academic achievement.

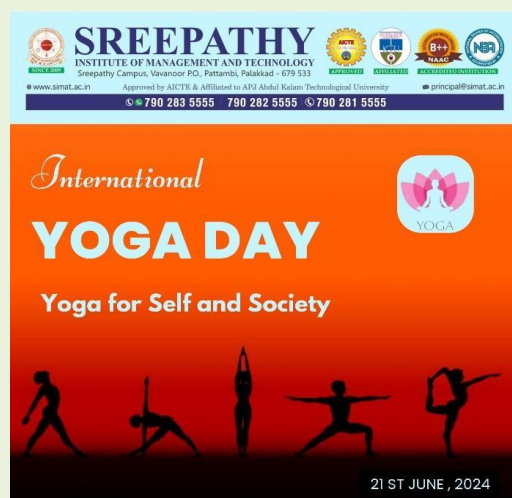

Conclusion

The results of the S8 examinations underscore the commitment to excellence at Sreepathy Institute of Management and Technology. Congratulations to all students for their hard work and perseverance. Special commendations to the top performers in each department for their outstanding achievements.

As we celebrate these accomplishments, we reaffirm our commitment to providing quality education and nurturing future leaders in engineering and technology. We look forward to continued success and excellence in the academic endeavors of our students.

INTERNATIONAL YOGA DAY CELEBRATIONS

International Yoga Day 2024 was observed on June 21, based on the theme "Yoga for Self and Society." This theme highlights the dual benefits of yoga for personal well-being and societal harmony, aiming to promote yoga as a global movement that enhances health and peace worldwide. Celebrated globally, International Yoga Day has raised awareness about the many benefits of practicing yoga, which include improved physical health, mental clarity, and emotional balance. The day encourages inclusivity and participation from individuals of all ages and backgrounds, emphasizing the universal accessibility of yoga.

International Yoga Day is observed for several important reasons:

- Promotion of Health and Wellness
- Awareness of Cultural Significance
- Unity and Peace
- Educational Purpose
- Stress Reduction

With support from governments and organizations, International Yoga Day promotes public health initiatives and policies that support a healthier lifestyle. The United Nations General Assembly declared June 21 as International Yoga Day in 2014, following a proposal by India, recognizing the universal appeal and numerous benefits of practicing yoga.

International Yoga Day was celebrated at Sreepathy Institute of Management and Technology with much serenity and tranquility on June 21, 2024, as per government directions. The program on the SREEPATHY campus was jointly organized by NSS Unit 233 of SIMAT, the SIMAT Yoga Club, and SIAS College. Ashtangam College extended their support in the smooth conduct of the event. Authorities of these colleges took the initiative to make the program a great success. The house surgeons of Ashtangam Ayurveda College, Dr.

Dyuthi, Dr. Anila, and Dr. Helen, led the Yoga Day protocol and helped students in performing the same.

The program started with a prayer by Ms. Juleena and Ms. Gopika of S2, followed by a welcome address by SIMAT Yoga Club coordinator Mr. Hithes P (Associate Professor in Physics). Mr. Janardhanan (college administrator of SIMAT) presided over the meeting and gave the presidential address. He explained the need for yoga and its benefits based on his personal experiences. He also emphasized the significance of yoga practices in the context of the changing lifestyle of people. Then, Mr. Ratheesh, Associate Professor of Physical Education, explained the importance of yoga and its benefits in therapeutic applications. Dr. Smitha, Principal of SIAS, felicitated the occasion and stressed the need for practicing yoga every day.

It was then the turn of the house surgeons from Ashtangam. They briefly introduced each yoga asana and explained the method to perform each asana. It was a mesmerizing experience to watch the whole team perform yoga. The yoga instructors also demonstrated various pranayamas like Bhramari, Sheethali, and Nadi Shuddhi.

The program concluded with a vote of thanks by NSS volunteer Ms. Haneena, a student of S2. Our heartfelt thanks to all the people who made this Yoga Day event a success.

RED HAT CERTIFIED SYSTEM ADMINISTRATOR COURSE

The Red Hat Certified System Administrator (RHCSA) course was recently started by Sreepathy Institute of Management and Technology, Vavanoor in collaboration with Vidya Training and Development Center (VTDC), Thrissur. The program aimed to contribute to the professional development and academic excellence of the students. The 72 hours of training includes the basics of RedHat Linux, managing users and groups, control services, managing networks, file systems, command-line productivity, storage stack, boot process, and network security.

15 students from the sixth semester Computer Science and Engineering department (2021 batch) were enrolled for the RHCSA program. The classes for the RHCSA program commenced on 04-11-2023 and it was successfully completed on 06-04-2024. As per the terms, the students have paid a course fee of Rs. 8500/- and exam fee of Rs. 11000/-. The final exam was conducted on 13-05-2024 at SIMAT, Vavanoor. 11 out of the 15 students (73%) passed the exam. A second chance without any fee has been provided to the four students. Two students passed in the second chance, one failed and one still pending to take the second attempt. The students who successfully completed the course obtained the RHCSA certificates.

The RHCSA program is a good choice to gain more foundational knowledge of Linux and its components since these skills are transferable to various roles. The skills acquired through this program align with the industry's demands, thus making our students more competitive in the job market.

KEAM CBT 2024

Kerala Engineering Architecture and Medical (KEAM) Examination is organized and conducted

every year by CEE Kerala. Unlike previous years, in 2024, the examination was conducted as a Computer Based Online Test. Sreepathy was an identified test venue (Venue no:170) coming under Palakkad District. The test was conducted during 5th to 9th June 2024 with trial and mock

tests on 24th, 25th May 2024 and on 03rd June 2024. Also the Pharmacy test was held on 10th June 2024.

The systems allotted in Sreepathy was 140 including a 10% buffer. In all, 520 candidates attended the test in Sreepathy during these days. The entire Sreepathy

family coordinated well during the preparation works and the conduct of the tests. Ms. Sreeshma K, Assoc. Prof. CSE acted as Centre Coordinator. Mr. Siju C C, Mr. Gireesh V T, and Mr. Suhas K N provided all technical support needed.

Supt.) Dr. V Ravi, Govt. Victoria College, Palakkad (Observer) and Prof. Sushma M (Software Support) was also valuable.

The officials appreciated and gave excellent remarks about Sreepathy teamwork which was vital for the successful conduct of the event.

As a token of appreciation, a concluding meeting was held in Seminar Hall on 10th June 2024.

Dr. Sagar M Narayanan, Prof. & Head Dept. of AS&H and his team did an excellent job in providing all support and hospitality for the candidates and parents.

The support and guidance received during the period from Dr. Rajeev N, GEC Sreekrishnapuram (Nodal Officer Palakkad Dist.), Dr. Savyan P V, GEC Sreekrishnapuram (Chief

PLACEMENT AND TRAINING: GROOMING SESSIONS

Instructions were given to provide grooming sessions to the 2024 pass out batch students who were eligible for attending TCS interview after clearing the written test. The eligible candidates were 1. Mr. Abhimanue C P – ECE, 2. Mr. Abhinand Satheesh – CSE , 3. Mr. Naveen Manoj – CSE , 4. Mr. Nikhil A P – CSE , 5. Mr. Sidharth B – CSE , 6. Ms. Vidya E S – CSE , 7. Mr. Vimal K N - EEE

1. Four of such grooming sessions are conducted by google meet. First of such meetings was held on 6-6-24, 7:00 pm. The resource person was Mr. Abhinand P. S. Assistant System Engineer at TCS. Mr. Abhinand P. S was our alumni from ECE department from 2018-2022 ECE Batch. All of the TCS qualified students were present. In addition, Mrs. Sushma M, Head of Department ECE, Mr. Janardanan M K, Administration Officer and Placement officer, SIMAT, Mrs. Sreeja P, Associate Professor ECE, Mr. Manu G Thomas Associate Professor, CSE were also present. The session was very productive. The resource person's own experience was shared with the students, about the preparation before an in interview and also how to attend the interview. The students asked questions and their queries were rectified in the best possible way. Also a brief on TCS was also provided.
2. Next meeting was held on 7-6-24, 10:00 pm. The resource person was Mr. Pranav J Prakash, Manager- Information Security at Infosys, who is also a member of the interview panel of Infosys. Mr. Pranav J Prakash was our alumni from ECE department from 2009-2013 ECE Batch. All of the TCS qualified students were present. In addition, Mrs. Sushma M, Head of Department ECE, Mr. Janardanan M K, Administration Officer and placement officer, SIMAT, Mrs. Sreeja P, Associate Professor ECE, Mr. Manu G Thomas Associate Professor, CSE were

also present. The session was very useful for the students. His experience in the interview panel helps him to clarify the student's questions about the interview process.

3. Next meeting was held on 8-6-24, 7:00 pm. The resource person was Mr. Sreeram M S, System Engineer at TCS. Mr. Sreeram M S, was our alumni from CSE department from 2018-22 CSE Batch. All of the TCS qualified students were present. In addition, Mrs. Sushma M, Head of Department ECE, Mr. Janardanan M K, Administration Officer and placement officer, SIMAT, Mr. Manu G Thomas Associate Professor, CSE were also present. The session was very useful for the students. The student's questions about the interview process were clearly explained. Since the resource person was from a CSE background, a more technical session was conducted. The students from non CSE background asked their technical doubts and it was cleared in a very simple and understandable way.
4. Next meeting was held on 9-6-24, 4:00 pm. The resource person was Ms. Divya P, System Engineer at TCS. Ms. Divya P, was our alumni from CSE department from 2017-21 CSE Batch. All of the TCS qualified students were present. In addition, Mr. Manu G Thomas Associate Professor, CSE was also present. The session was very useful for the students. The student's questions about the interview process were clearly explained. Since the resource person was from a CSE background, a more technical session was conducted. Also the doubt about the dress code for the interview was cleared for both male and female aspirants. The session was a very productive one in all aspects. The meeting concluded successfully with a clear path forward for the students to attend the interview with a new found confidence. The Google Meet session was productive, with active participation from all attendees. The discussion covered each and every aspect an aspirant should know. All participants demonstrated active involvement and contributed valuable insights throughout the discussion. All the resource persons were well versed in all the aspects of an interview which helps in a more productive discussion. The atmosphere was collaborative and constructive, fostering open communication and idea-sharing. The technology (Google Meet) functioned smoothly without any disruptions, facilitating a seamless meeting experience.

HONOURING ACADEMIC EXCELLENCE

Student representatives from the 2022 batch of the ECE Department, accompanied by their group tutor Ms. Anjali Ananthan, Assistant Professor of ECE Department, visited Ms. Devika V.V. (Younger sister of Late Sabarinath V.V, a beloved student of the 2022 ECE batch) to honor her, for the exceptional achievement of securing full A+ in the SSLC Examination at her residence on 19/05/2024. She was honored with a cash prize and a memento on behalf of the ECE Department, as a token

of appreciation for her outstanding performance in the SSLC Examination. They not only honored Ms. Devika V.V. 's accomplishment but also engaged in a meaningful social outreach by presenting her with books and sweets as a token of love from the students of ECE 2022 batch. The

department representatives spent some quality time together with her family and parted after a homely lunch wishing her luck on her upcoming academic endeavors.

 - Number of students successfully placed in various institutions: 44

This revised summary clarifies the number of internal and external placement opportunities, along with the total job offers and successful placements achieved during the specified academic year at SREEPATHY.

ENVIRONMENTAL DAY CLEANING & SAPLING PLANTATION

NSS volunteers gathered in the NSS room at 1pm and were divided into four groups. Two groups cleaned the college garden and the other two groups added fertilizers to the plants. At 3 pm the Principal planted a sapling in the college garden. The event ended at 3:30 pm.

YOGA DAY-MARATHON

On behalf of International Yoga Day, a marathon was organized on June 22, 2024 to promote health, wellness, and the holistic benefits of yoga. The event took place in Velliyamkallu Heritage Park, drawing a diverse crowd of participants, including Yoga enthusiasts and students. Over 500 participants registered for the marathon, including individuals of all age groups. The event saw enthusiastic participation from schools and various community organizations.

The event was organized by Ashtangam Ayurveda Chikitsalayam with Thrithala Grama Panchayath.

The routes were meticulously planned to ensure safety and convenience for the runners with medical aid and volunteer support available at regular intervals.

The marathon was from Thrithala to Velliyamkallu Heritage Park, a distance of approximately one and a half km. More than 30 volunteers assembled for the marathon at 1.30 pm. Caps and shirts were distributed to all participants, enhancing the sense of unity and providing a lasting memento of the event. By 4 pm the program was over.

STUDENT ACHIEVEMENTS

- S4 ECE students started attending internship at following companies as different batches Jet Aerospace Aviation Research Center, Palakkad, Genzee Technologies (Calicut & Kochi) From 26th June 2024

STAFF ACHIEVEMENTS
